

JŪRMALA INVITES

THE BEACH

Breath-taking landscapes – a 24-kilometre white sand beach, dunes surrounded by pine trees, the ever-changing sea and unforgettable sunsets in all seasons of the year.

DZINTARI FOREST PARK

Footpaths, a 33-meter high observation tower, playgrounds and sports grounds providing active recreation opportunities for the entire family.

DZINTARI CONCERT HALL

A true architectural treasure on the shores of the Baltic Sea, a unique acoustic concert hall offering musical performances of outstanding artists.

“LĪVU AKVAPARKS”

Enjoy an unforgettable adventure in the largest water park in the Baltic States. Water slides, various pools, exciting attractions and a spa complex, providing entertainment and recreation for both children and adults.

WOODEN ARCHITECTURE

Ornate towers, glass verandas, gorgeous wood carvings decorating the buildings – the unique wooden architectural structures that have been preserved up to present day are the pride of the resort town.

WALKING IN NATURE

Experience the wilderness of Ķemeri National Park and its magical moss bog. Stroll down the footpaths in Ragakāpa Nature Park and take in the spectacular view of the White dune on the bank of Lielupe River. Immerse yourself in history at the coastal fishing courtyard in Jūrmala Open-Air Museum.

DUBULTI ART STATION

The art station showcases artists' works in this unique active railway station that has been transformed into a contemporary art space.
