

Entrance fee for vehicles

Starting from 1 April 2020, for vehicles entering Jūrmala, the EUR 2 entry fee will be resumed. The municipality kindly asks drivers not to overcrowd the pass purchase points in Priedaine and Vaivari, but to purchase passes electronically at the www.visitjurmala.lv website or through the “Mobilly”, “Citadele” and “Riga Card” applications. You can also pay the entrance fee at the pass purchase machines in the four locations in the city: at the supermarket “Rimi” in Lielupe, at the Dzintari Concert Hall, at the Majori parking lot or at the Dubulti station.
