

## Winter Treasure in Jūrmala

Jūrmala is a unique destination in all seasons, including winter, when the resort is filled with a quiet hubbub, and the presence of the forest gives the city a special aura. With snow or not, the white beaches are ever-present. Together with the shimmering surface of the sea, the many kilometre-long, silky seashore will light up even the gloomiest winter days. If you miss light, treat yourself to a trip to Jūrmala! Celebrate a beautiful day out in the nature with a hot drink in one of Jūrmala's cafés.
