every day from 10:00 to 20:00

More information at: www.tarzans.lv

“ZILI BRĪNUMI”

This is an unusual center of education, entertainment and recreation for the whole family, where anyone in an interesting way can find out a bit more of what physics is and which physical laws it exposes to a variety of subjects – why it seems that wool emits electricity, how gravity acts or what is inertia. Interactive exhibits and demonstrations with elements of physics and chemistry are based on the themes of children’s book “Social Physics for Children”. They will definitely inspire every visitor to learn the hard sciences. The center offers group activities for children and trip presentations for schools, as well as organizes children’s festivities and leases premises for corporate events.

Jomas iela 37

Working hours: Monday–Friday 13:00–19:00,
Saturday–Sunday 11:00–19:00.

More information at: www.zilibrinumi.lv

BEACH

One of the greatest treasures of Jūrmala City is a 25 km long beach which for many of citizens and guests is a place where to have a rest, get inspiration or go into sports during any season. A walk along the seaside always has been an excellent idea for spending of free time, also in winter. For lighter walks we offer to use illuminated foot-path from Turaidas Street in Dzintari to Ērgļu Street in Majori. During appropriate weather conditions, the beach of Jūrmala transforms into a long and charming skiing track.

More information at: www.visitjurmala.lv

SKATING RINK

You cannot buy a happiness, but you may go for skating! In the very center of Jūrmala City, in Majori, a skating ring is located, and it is not important if snow is snowing or rain is raining, because the ice hall is partly covered by a roof which protects it from unfavorable weather conditions allowing to have an active rest and go into sports in open air. Skating season is planned until April 30 (date can be changed due to weather conditions). Inventory rental is available. Rent of skates for 1 pair 1.50 EUR per hour. Price for skating for adults – 3 EUR per hour, for schoolchildren and pensioner – 1.50 EUR per hour, for children younger than 7 years – free of charge. Before going to the skating ring, please, check the opening hours for public skating at the website.

Rīgas iela 1, www.jssc.jurmala.lv

SWIMMING POOLS AND WATER RECREATION AREAS

BALANS AQUA

Here for visitors a pleasant and cozy atmosphere is created. Therefore, everyone, adults and children, feels good here. Water temperature in a swimming pool constantly is maintained +27–29°C. Water is cleaned through a vacuum filter, thus, in comparison with other pools, water chlorination here is provided minimally. Parallel to individual swimming trainings, also water aerobics and swimming classes for children in a guidance of professional trainer are provided here. At the same time, parents can enjoy the rest in a SPA complex or go out for a few hours. Meža prospekts 49, Bulduri, www.iwcbalans.com

SWIMMING POOL WITH SEA WATER

In a swimming pool of the five-star hotel "Baltic Beach Hotel & SPA" water is provided from far in the sea delivering it to the hotel through pipes and, after special purification, it is warmed up to temperature +28–30°C. Swimming instructors offer swimming classes for children and adults, as well as private trainings and water aerobics for those who prefer water sports than fitness gym. SPA complex also offers a sauna, cloak room with showers, hair-dryers and lockers. A SPA center "The Garden" of the hotel offers also special massage procedures for children. Jūras iela 23/25, Majori, www.balticbeach.lv

WELLNESS CENTRE LIELUPE

In the "Semarah Hotel Lielupe" swimming trainings are supervised by professional and qualified trainers. At the beginners' level, basics of swimming are learned, afterwards, there is an opportunity to take part in swimming fitness groups or sport training teams where it is possible to acquire proper swimming techniques in a chosen style of swimming (freestyle, breast stroke, butterfly stroke or backstroke).

Available also Finnish sauna, Jacuzzi, Turkish steam bath, as well as recreation and relaxation areas.

Bulduru prospekts 64/68, Lielupe, www.semarahhotels.com

POOLS OF MINERAL WATER

Mineral water of a pool in the sanatorium "Belorusija" is acquired from a 500 m deep bore, and it is one of the two pools of mineral water in Jūrmala City. Another pool of mineral water is located in the National Rehabilitation Centre "Vaivari" where, in collaboration with Jūrmala Swimming School, swimming trainings are offered. Water temperature in the pools is about +29–31°C.

Sanatorium "Belorusija" on Bulduru prospekts 4/8, Dzintari, www.belorusija.lv and NRC "Vaivari" on Asaru prospekts 61, Vaivari, www.nrcvaivari.lv

WELLNESS OASIS

In a complex "Wellness Oasis" of the "Hotel Jūrmala SPA" there are three different pools with various temperatures, Jacuzzi, Aqua bar, cascade, five various baths: Roman bath, sauna (110°C) with jadeite stones, aroma bath, salt bath, sauna (+80°C), as well as other baths, bubble bath and salt room. In the Aqua bar, it is possible to enjoy healthy teas and juices without getting off the swimming pool. Jomas iela 47/49, Majori, www.hoteljurmala.com

KEMERI NATIONAL PARK

In winter Ķemeri bog is enchanting in its special mood. The national park is set up in a place where the sea waves have washed thousands of years ago, and, by leaving the area, has left lagoons behind which have overgrown creating unique bogs and lakes with Sulphur mineral springs, small rivers and annually flooded forest stands.

GREAT ĶEMERI MOORLAND TRAIL

Great Ķemeri Moorland trail is the most popular sightseeing object in the Ķemeri National Park. It allows anyone to get to know the high bog of mosses which is still unaffected by human activities. It is a place to enjoy a peace and unique view of nature. The large circle of the trail is 3.4 km long, while the small one – 1.4 km.

BLACK ALDERS SWAMP BOARDWALK

This boardwalk of the Ķemeri National Nature Park begins at the information center "Meža māja" ("Forest's house") of the park, and it is 600 m long. The boardwalk is appropriate for families with children because it is located not far from the center of Ķemeri and at the beginning of the boardwalk a playground for children is placed. Nearby you can visit also the old park of Ķemeri sanatorium with Sulphur spring "Ķirzacīņa" ("The Little Lizard") and see interesting remaining of architecture from the previous century with bridges, churches and other objects.

SLOKA LAKE WALKING TRAIL AND BIRD OBSERVATION TOWER

A walking trail goes through different forests along the bank of the waterfowl-rich lake. It starts and ends at Sloka Lake in the point easy reachable by car, where a parking area, a place for picnics and a floating 7 m high observation tower are placed. Walking along the trail is an excellent way to check anyone's physical shape as various elements of sportive activities can be tried – swings, walking on a narrow wood, climbing and others.

It is possible to travel to Ķemeri by public transport – buses No. 6, 10 and 10a, while, if you want to go to the great Ķemeri Moorland trail, it will be more comfortable to take a train "Rīga–Tukums". Further, from the station Ķemeri, please, follow the direction signs on site.

More information at: www.daba.gov.lv/kemeri
