FREE TIME ACTIVITIES

DISCOVER THE DIVERSITY OF JŪRMALA'S BEACHES

The 24 km long sandy beach of Jūrmala is one of the most valuable gems the town has to offer. Throughout its length, the beach offers ways to hide from the crowd, to relax in charming cafes, to play volleyball, to ride a jet ski, and, of course, to see the trademark sunset of Jūrmala. You can take a well-lit path along the beach between Dzintari and Majori on a night time walk.

ENJOY MUSIC AT THE DZINTARI CONCERT HALL

The Dzintari Concert Hall is one of the town's most important cultural venues, it is a true pearl of the Baltic shore! During the day, its unusual architecture is a pleasant sight, while at night, the hall offers various concerts and impresses with its excellent acoustics. The genres performed include classical music, jazz, pop, and others.

Turaidas iela 1, Dzintari, www.dzintarukonzertzale.lv

LOOK FOR ADVENTURE IN THE DZINTARI FOREST PARK

Playgrounds for children of different ages, walking and roller-skating paths, a skate park, streetball court, cafes. The park's landmark is its 33.5 m tall observation tower that provides an unforgettable view of Jurmala and the Baltic Sea over the tops of the pine trees. Starting from May 1, the visitors are welcome at the adventure park "**Tarzāns**" with obstacle routes of five different complexity levels installed in the trees. At the "**Rullroll**" rent you can rent scooters, roller-skates, skateboards, electric mini Segway's, hoverboards, electric scooters, and longboards.

VISIT THE UNUSUAL RAGAKĀPA NATURE PARK

A specially protected area with convenient walking paths has been created around Ragakāpa, one of Latvia's tallest dunes, to preserve the diversity of life at the seashore and in the dunes grown over by an ancient pine forest. Take an unforgettable walk and discover this nature park!

WALK AROUND THE KEMERI NATIONAL PARK

MELNALKŠŅU BOG PLANKED FOOTWAY

This 600-m long footpath starts at the park's information centre "Meža māja". There is a playground at its start, and the historical Ķemeri resort park with churches, bridges, and the "Ķirzacīņa" sulphurous mineral water spring.

SLOKAS LAKE PATH AND BIRD WATCHING TOWER

The path begins and ends at Slokas lake. There is a car park, a picnic area, and a "floating" bird watching tower. There are also swings and various exercise equipment along the route.

LŪŽŅU POND SPRING

One of the most abundant sulphurous springs in the area! About 3 km long route to the spring starts at the "Meža māja" information centre. This footpath is popular among bird watchers because the beaver pond along the route is one of the best places to watch birds in the area.

LONG KEMERI MARSH PLANKED FOOTWAY

The long planked footway in the marsh is the most popular site to visit in the Ķemeri National Park, offering a look at a raised bog untouched by human activity, and unusual natural sights. The long circular route along the footway is 3.4 km, and the short one is 1.4 km.
