## SEE YOU IN JŪRMALA!

Healing sea air and pine tree forests, mineral waters and medical muds in combination with the seasonal offers of SPA hotels will result in undisturbed total relaxation in the resort city. Information about holiday special offers with SPA or beauty rituals, water treatments, complex health recovery programs, as well as restaurant specialties and events is available at **visitjurmala.lv**.

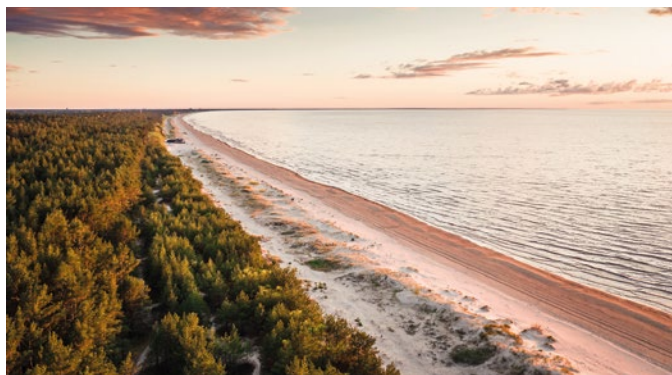

Please note that due to COVID-19 restrictions there can be some changes in the work of tourism sights and event locations. Follow the information on **visitjurmala.lv**

## DISCOVER THE DIVERSITY OF JŪRMALA'S BEACHES

The 24 km long sandy beach of Jūrmala is one of the most valuable gems the town has to offer. Throughout its length, the beach offers ways to hide from the crowd, to relax in charming cafes, to play volleyball, and, of course, to see the trademark sunset of Jūrmala. You can take a **well-lit path** along the beach between Dzintari and Majori on a night time walk.

Take an advantage to explore the coastline and the sights nearby included in the Baltic Coastal Hiking route. Jūrmala coastline is split into three parts, each 15 – 20 km long. The detailed description of the route is available on [www.coastalhiking.eu](http://www.coastalhiking.eu)

## ENJOY MUSIC AT THE DZINTARI CONCERT HALL

The Dzintari Concert Hall is one of the town's most important cultural venues, it is a true pearl of the Baltic shore! During the day, its unusual architecture is a pleasant sight, while at night, the hall offers various concerts and impresses with its excellent acoustics. The genres performed include classical music, jazz, pop, and others.

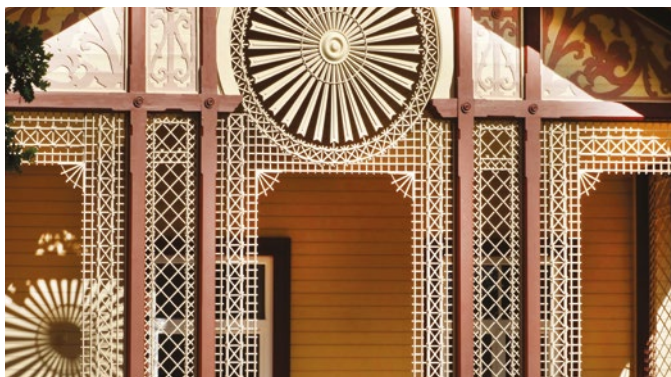

The legendary complex of Dzintari Concert Hall includes the small hall located in the recently renovated historical wooden building of 1936, and the summer hall with 2100 seats built in 1962.

## EXPLORE THE HISTORICAL ARCHITECTURE

Jūrmala is proud of its historical architecture. Many of the houses are under protection having the status of the architectural monument. The buildings represent the whole palette of styles – Art Nouveau, national romanticism, classical architecture, modernism, Soviet functionalism. The hidden gems of Jūrmala architecture, awesome places and sights are included in the routes. The routes are 5– 9 km long and can be explored by foot or by bike. The maps and the descriptions can be found on [visitjurmala.lv](http://visitjurmala.lv).

## TAKE A PHOTO WITH THE SEA GULLS

There is a lot of interesting objects with awesome stories in Jūrmala. The sculptures of “The Turtle”, “The Globe”, “Rainis’s pine trees” are well known and popular places of taking photos. Recently the collection became larger. A sculpture of the famous Latvian poetress **“Aspazija in the dunes”** can be found opposite the museum “House of Aspazija”. Several bronze sea gulls will accompany the guests sitting on the benches in Dzintari by the beach, in the Horn’s garden by Jūrmala Culture Centre and in the park opposite Majori railway station. The big **“Cone”** made of subtle steel plates reflecting and shimmering in the sun is located in Jaundubulti park. Listening to the wind music inside the Cone gives a full emotional impression.

## TAKE A WALK IN THE DZINTARI FOREST PARK

Playgrounds for children of different ages, walking and roller skating paths, a skate park, streetball court, cafes. The park's landmark is its 33.5 m tall observation tower that provides an unforgettable view of Jurmala and the Baltic Sea over the tops of the pine trees.

In winter, the forest park turns into the Park of Light offering a magic atmosphere created by thousands of LED-decorations.

Dzintari Forest park is open all year round from 9am to 10 pm. Entrance is free of charge.

**Lazdonas iela, Dzintari**

## CLIMB AND JUMP IN THE ADVENTURE PARKS

The adventure park "**Jūrmalas Tarzāns**" offers various obstacle trails located in the pine trees at different height. The trails are accommodated for small children and for teenagers having different levels of complexity. "**Jūrmala Net park**" consists of net tunnels and playground fixed on the trees. The soft balls, swings, slides make this park an ideal place for jumping and playing for the whole family.

# WALK AROUND THE ĶEMERI NATIONAL PARK

## BLACK ALDER WOOD TRAIL

This 600-m long footpath starts at the park's information centre "Meža māja". There is a playground at its start, and the historical Ķemeri resort park with churches, bridges, and the "Lizzard" sulphurous mineral water spring.

## SLOKAS LAKE PATH AND BIRD WATCHING TOWER

The path begins and ends at Slokas lake. There is a car park, a picnic area, and a "floating" bird watching tower. There are also swings and various exercise equipment along the route.

## LŪŽŅU POND SPRING

One of the most abundant sulphurous springs in the area! About 3 km long route to the spring starts at the "Meža māja" information centre. This footpath is popular among bird watchers because the beaver pond along the route is one of the best places to watch birds in the area.

## GREAT KEMERI BOG BOARDWALK

The long planked footway in the marsh is the most popular site to visit in the Ķemeri National Park, offering a look at a raised bog untouched by human activity, and unusual natural sights. The long circular route along the footway is 3.4 km, and the short one is 1.4 km.

## THE GREEN DUNE

One of the most exciting routes in Kemerī National Park. The 12-km long route runs along the wetlands, the high dune, beautiful pine forests, sulphur ponds. The beginning of the route – at the end of the street Partizānu iela in Ķemeri district.

## VISIT THE UNUSUAL RAGAKĀPA NATURE PARK

A specially protected area with convenient walking paths has been created around Ragakāpa, one of Latvia's tallest dunes, to preserve the diversity of life at the seashore and in the dunes grown over by an ancient pine forest. In the forest opposite Jurmala Open Air Museum **the King of the Pines** is growing. It is a giant pine tree with the diameter of its trunk 308 cm. If you follow the nature trail to the beach, you will find a photosight **"The Boat"**. The real beauty of the beach nature can be discovered by the mouth of Lielupe river.

## LEARN THE HISTORY OF KEMERI RESORT

In the middle of August after the impressive reconstruction the historical Kemerī resort park will be opened for visiting. The landscape park with small architecture forms now being the architectural monument was built by Rīga major gardener Karl Heinrich Wagner in 1838. This is the oldest and largest public garden in Latvia outside Rīga.

Visitors will admire the renovated sulphur spring “Lizzard”, various bridges over the Vēršupīte river, beautiful garden parterre by the historical building of Kemerī hotel, Islet of Love with a pavilion. The stories about the park and its architecture can be found on the information stands.

The pearl of the Kemerī park is the renovated **Kemerī Water-tower**, which preserving its main function will attract visitors with exposition about the history of Kemerī resort as well as with spectacular views opening from the panoramic platforms.
