JŪRMALA CITY MUSEUM

Jūrmala City Museum tells visitors about the beginning and development of Jūrmala resort from the end of the 19th century till the end of 20th century. The exhibition "Child at the Resort" is devoted to the childhood memories of those times. The exhibits include books, clothing, beach accessories, games and toys. The games not only can be viewed, but also played with – the youngest visitors can feel the beach atmosphere and build a sand castle in the museum.

Multimedia exposition "SPACE OF RAINIS. Spaciousness. Depth. Infinity" is a touch to words, thoughts and ideas – it is a call to meet the Latvia poet Rainis and yourself. Various original Jūrmala souvenirs can be obtained in the museum souvenir shop.

HOUSE OF ASPAZIJA

House of the prominent Latvian poetress Aspazija in Dubulti is the most unusual and the most beautiful museum in Jūrmala. The special atmosphere of the House of Aspazija is created by music, art and history; the restored exhibition of the museum helps experience the spirit of the last century, via not only early 20th century household items and interiors, but also projected holograms and interactive educational games.

Take a short walk along the narrow street *Aspazijas iela* that leads to the beach and take a picture with the sculpture "Aspazija in the dunes"!

DUBULTI ART STATION

This is the only modern art space in Europe that is located in a functioning railway station. The Dubulti Art Station is an excellent example of how to combine transport, cultural and public administration resources to make a unique art platform accessible to everyone. The building of Dubulti railway station was built in 1977, and, according to the idea of its architect Igor Javein, it created associations with the rolling sea.

ART GALLERY “INNER LIGHT”

Luminous painting gallery is not only an art gallery, but also an interesting and exciting tourist attraction. Every painting by artist Vitaliy Yermolayev hides the mystery of light. In special lighting, works of art begin to glow, and in the place of the painting visible to the viewer, another, previously concealed one appears.

As an interesting addition to various celebrations and corporate events, the gallery also offers painting masterclasses.
